Notes (R. No 185 of 06)

Letter No.D.5819 dated the 19th June 1905 from the A 1st Assistant to the Resident to the Dewan of Mysore.

I am directed to acknowledge the receipt of Mr. Venkatavaradaiengar's letter Pol.No.887 dated the 22nd April 1905, requesting sanction to the continued employment of Mr. H. Pilkington as Inspector of Coffee Estates in Mysore to the end of May 1906.

In conveying the sanction applied for, I am to state that the Government of India have noticed the delay that has occurred in the submission of this application by the Durbar. Similar irregularities have been not infrequent in the past and the Government of India strongly deprecate the practice of anticipating their orders in cases of this kind. The Offg. Resident therefore trusts that the Durbar will be so good as to issue the necessary instructions to avoid the recurrence of such irregularities in future.

I am to suggest that a very simple method of securing this object would seem to lie in the appointment of some officer in the Secretariat to maintain a register of such employees entertained chronologically by years according to the date on which each term of appointment expires. This register should be put up about the end of September for orders as to the appointments which unless renewed will expire in the coming calendar year.
